Bella Luna Restaurant and Milky Way Lounge Relocate to Jamaica Plain

Quirky independent venue [Bella Luna Restaurant and Milky Way Lounge](#) moved to a new space in the Brewery in Jamaica Plain in May. The high-ceilinged venue has sci-fi wall murals, 3-D stars hanging over red leather booths, and video games along the U-shaped quartz bar. Executive chef Jacob Zachow serves up a menu of rustic Italian dishes like ricotta gnocchi, eggplant parmesan, and spinach ravioli.
